

(Tentative) Course Outline for 201A (10/2)

The chapters in the parentheses are the corresponding chapters in MWG. Although I won't cover every material in each chapter, I suggest that you read Ch. 1 through Ch. 6 page by page. From Ch. 15 to Ch. 17, you may only read the parts that are related to my lecture.

1. Preference and Utility (Ch 1, Ch. 3)
2. Consumer Theory (Ch 2, Ch.3)
3. Revealed Preference (Ch 2.)
4. Producer Theory (Ch 5)
5. Aggregation (Ch 4, Ch 5)
6. Decision under Uncertainty (Ch. 6)
7. Introduction to Competitive (Walrasian) Equilibrium (Ch. 15.)
8. Fundamental Theorems of Welfare Economics (Ch. 16 A-F)
9. Competitive Equilibrium: Existence (Ch. 17, A-C,I)
10. Financial Equilibrium? (Ch 19.)
11. Core? (Ch 18)
