Cola citizenship

I

t the recently released film, Corp- 
orate, the US partner of a firm 
accused of selling soft drinks that 
have pesticide residues, says: You 
ought to be the finance minister of the 
country. If you don’t make the 
tax-exemption Gowry go away, I’m going to with- 
draw it. The firm makes not a word in its 
awful finance minister ad which, therefore, implicates 
are substantial. Real life? You cannot blame 
that is not just corporate, we also believe that 
which is not just corporate, and also believe that 
the world is not just corporate.

The violence he had 

erupted. The Indian economy, and the les-

ting American, but there are no cola pro-
